

# Radoanul Arifen

Python Developer | Passionate About Problem-Solving and Automation

📍 [Dhaka, Bangladesh](#) | 📞 [+8801632665398](#) | @ [radoanularifen@gmail.com](mailto:radoanularifen@gmail.com) |

## Profiles

[Radoanul Arifen](#)

[RadoanulArifen](#)

## Summary

Creative Python developer with a knack for turning complex problems into simple, elegant solutions. Passionate about writing clean, efficient code and exploring the endless possibilities of automation and data-driven applications. Always eager to learn, adapt, and build something impactful.

## Education

<b>Daffodil International University</b> Computer Science and Engineering CGPA 3.43 <a href="https://daffodilvarsity.edu.bd/">https://daffodilvarsity.edu.bd/</a>	<b>January 2022 - Present</b> Bachelor of Science
<b>Cantonment College, Cumilla Cantonment</b> Science GPA 5.00	<b>2018 - 2020</b> HSC
<b>Begumgonj Govt. Technical High School</b> Science GPA 4.94	<b>2013 - 2018</b> SSC

## Skills

<b>Python Programming</b> Proficient in writing clean and efficient Python code for data analysis, automation, and application development. ● ● ● ● ● Python, Automation, Data Analysis, Libraries, Pandas, NumPy
<b>C Programming</b> Skilled in writing efficient code using C for systems programming and low-level operations. ● ● ● ● ● C, Data structure, Algorithm
<b>Web Development</b> Skilled in building responsive and user-friendly websites using HTML, CSS, and basic JavaScript. ● ● ● ● ● HTML, CSS, Web Design, Responsive Development
<b>Data Analysis</b> Experienced in analyzing datasets, generating insights, and creating visualizations using Python and Excel. ● ● ● ● ● Data Visualization, Python, Pandas, Excel
<b>Version Control (Git)</b> Familiar with using Git for collaborative projects and version control. ● ● ● ● ● Git, GitHub, Version Control, Collaboration
<b>Communication</b> Strong written and verbal communication skills for collaborating effectively in diverse environments.

Teamwork, Presentation, Collaboration, Verbal Communication

**Problem-Solving**

Adept at identifying issues and creating logical solutions through critical thinking.

Critical Thinking, Logical Reasoning, Troubleshooting

**Experience**

---

**CodSoft**  
Former Intern as a Python Programming  
<https://codsoft.in/>

**15 July 2024 - 15 August 2024**  
Kolkata, West Bengal, India

**Experience**

---

**CodSoft**  
Former Intern as a Python Programming  
<https://codsoft.in/>

**15 July 2024 - 15 August 2024**  
Kolkata, West Bengal, India

**Projects**

---

**WayFinder**  
WayFinder is a chatbot that helps you find the perfect travel destination based on your preferences.  
<https://github.com/RadoanulArifen/WayFinder>

**Backend:** Python (Flask/Django)  
**AI & NLP:** NLTK, spaCy, TensorFlow, or scikit-learn for chatbot logic  
**Dataset Handling:** Pandas, NumPy for processing raw travel datasets  
**Frontend:** HTML/CSS with JavaScript

**AuraEvents**  
AuraEvents is an event management system for seamless event planning and coordination.  
<https://github.com/RadoanulArifen/AuraEvents>

**Backend:** Python (Django/Flask) for efficient data handling.  
**Frontend:** HTML, CSS, JavaScript (Flask/Django templates for dynamic UI)

**Employee Management System**  
Employee Management System streamlines HR tasks like attendance, payroll, and performance tracking.  
<https://github.com/RadoanulArifen/Employee-Management-System>

**Backend:** Python (Django/Flask) for efficient data handling.  
**Frontend:** HTML, CSS, JavaScript (Flask/Django templates for dynamic UI)

**Contact Management System**  
Contact Management System to store, organize, and manage contacts with search, update, and delete features.  
<https://github.com/RadoanulArifen/Contact-Management-System-using-Django>

**Backend:** Python (Django/Flask) for efficient data handling.  
**Frontend:** HTML, CSS, JavaScript (Flask/Django templates for dynamic UI)

**Volunteering**

---

**Change Together Program 2022**  
Volunteer

**2022**  
Daffodil International University

**Family Day 2023**  
Volunteer

**2023**  
Daffodil International University

**Awards**

---

**Top Performer in Data Science – Datathon**

Recognition received for exceptional performance in the Datathon.	2024
<b>Volunteer of the Year" by Change Together Club, 2023.</b>	2023
Volunteer of the Year Award
